LITHIUM BROMIDE

About Us

In 2011, RFC Industries (A Group of Maruti Organics) was founded. We are a top supplier, manufacturer and supplier of Sodium Bromide, Potassium Bromide, Calcium Bromide Powder, Zinc Bromide, Lithium Bromide, Sodium Bromide Solution and a lot more items. We have a rich expertise in formulating different chemicals that are used in many industries. Our team of experts, which includes some of the top chemical engineers, allows us to create extremely accurate and effective compositions that are appropriate for a variety of purposes. These experts support our business on a strong foundation and enable us to offer our clients an exceptional selection of goods.

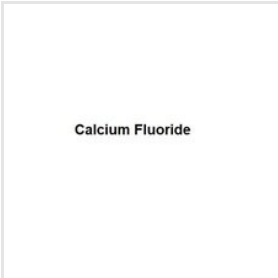

Our proactive efforts to supply high-quality chemicals are well-received in the sector. These precautions include using premium ingredients, carefully monitoring the production process, rigorous performance testing on several parameters, tamper-proof packaging, and prompt delivery. We are able to provide our clients with the highest level of satisfaction thanks to our strict quality control procedures.

Our infrastructure, which combines people and equipment in the ideal way, enables us to produce a variety of industrial chemicals in line with various grades and standards. Our reliable infrastructure is outfitted with cutting-edge equipment that ensures the efficient manufacture of a wide range of goods. Today, we take pride in the fact that our carefully crafted products completely meet the needs of our clients. Our infrastructure occupies a space of 1000 square metres.

Key Facts

| | |
|---------------------------------------|---|
| Nature of Business | Manufacturer |
| Primary Competitive Advantages | lithium bromide solution,lithium bromide,calcium bromide,sodium bromide |
| No of Staff | 18 |
| Year of Establishment | 1991 |
| OEM Service Provided | No |
| ProductRange | lithium bromide solution,lithium bromide,calcium bromide,sodium bromide |

Our Products

Calcium Fluoride

Calcium Fluoride

Sodium Bromide Solution

Zinc Bromide

Lithium Bromide
